

The HCC has adopted the FIFA disciplinary rules with the following exception, give the age of most of the participants.

There are no slide-tackling or hard fouls allowed.

Hard Fouls: Hard fouls are subjective, and are based on the age of the participants. This is self-policed by the participants, with oversight by the HCC board - if a complaint is made to them.

Board Oversight of Hard Fouls: If a complaint is made to a board member concerning a hard foul, the board will investigate what has occurred (including talking to the players involved);

The Board will have two options:

1. To give the player involved a warning, that if a hard foul occurs again during the session, the player may be suspended.
2. If the Board determines that the tackle could have resulted in serious injury, the Board may suspend the player for the rest of the session.

If a player is suspended, the Board shall also have the option of not allowing the player access to the league in the future.

If a player is suspended, any un-applied session fees will be returned to the player suspended.

Disruption/Arguing: If a player disrupts a game verbally or acts in a threatening manner the above sanctions for Hard Fouls will apply.

Physical Altercation: Players that engage in a physical altercation will immediately leave the field and game. The above sanctions for Hard Fouls will be applied.
